## COCKTAILS

For the last 10 years our continual challenge has been to create a line of premium cocktail mixes that bartenders all over the world can trust. We proudly present Clasico Cocktails. A unique concept and one of a kind. We have selected only the best fruit varieties and ingredients to guarantee the perfect cocktail. But probably the most innovative development is our easy 3 step preparation. Making cocktails has never been easier! Our special mixing glass guarantees the same cocktail every time.

Prepare a perfect Mojito, Pina Colada or Sex on the Beach in the same time as you serve a beer. In our range we have 6 alcoholic and 3 non-alcoholic cocktails. In our Clasico concept we provide menu cards, mixing glasses and shakers. In addition we also have a full range of cocktail and bar supplies. Scan the QR-code below to see our full range.

- easy preparation - 3 step approach
- no cocktail training required
- fast service - a professional cocktail prepared within 30 seconds
- standardisation - always the same perfect cocktail
- all famous cocktails on your menu
